It's been a long winter but spring is finally here and the last portion of the school year is upon us.

Basketball and indoor track have wrapped up. Our students demonstrated great sportsmanship and have shown a lot of improvement since the beginning of the season. I also want to thank our safety patrollers who help our students cross the streets to and from school each day. We also offer a choir program which runs throughout the entire school year and a sketch club during the winter months. Of course, our extra-curricular programs wouldn't run without the strong leadership that our staff continually provides. We are blessed to have such a giving staff who willingly donates countless extra hours of their time.

Progress Reports were distributed in March and we celebrated the successes of Term Two and set goals for Term Three at the Three Way Conferences which followed.

Our Intensive French is now in its 2nd year and it has been extremely successful. **The Intensive French Program begins in grade 6.** If you would like information about the program, it's available on our school blog or you can call the school at 659-7240.

During Lent, our students, staff and parents supported the Brazilian Mission through prayers and the collection of funds for schools in Brazil. Weekly Liturgies were held and the majority of our students participated in the Poverty Meal. We are very proud of our grade 8's who demonstrated great servant leadership as they performed the Stations of the Cross outside during Holy Week. All of our Lenten activities assist our students to grow as they continue on their personal faith journey.

We have been blessed in so many ways, and we give thanks for the special gifts from God, your children. Happy Easter everyone.

Rick Gaman, Principal

Carol Gerspacher, Vice Principal

Greetings from Silverspring School

Winter has been a busy season at our school. Our two school initiatives are the study of Literacy by improving student writing and of Healthy Bodies Active Minds by improving student health and wellness are experiencing great success. As this newsletter is being written teachers have finished report cards and are preparing for conferences. We have also seen basketball and indoor track seasons come and go. Students in both athletic activities have done very well and made our school community proud. The Voyageur program is now in full swing with many training sessions and trips coming up.

March is Nutrition month which ties in nicely with our Healthy Bodies Active Minds initiative. A big thank you to the Home and School for their fundraising initiatives and taking on the huge task of hosting a Fresh Food Buffet for the entire school! Thank you also to the Silverspring Community Council for their joint support with the school in the purchase of mirrors for the Arts Education Room. This venture will provide feedback and self assessment to students as they learn and move through the Creative Arts part of their curriculum. This has been a huge success for our school!

It is hard to believe but Silverspring School turns 10 Years Old this year and we hope you can join us in a celebration Thursday, May 26, 2011. Doors open at 5:30 for tours, visiting and a chance to look at displays of pictures and memorabilia. A program in the large gymnasium will begin at 6:30 pm and this will be followed by refreshments. Please contact Mrs. Linda Smith, our school administrative assistant, if you are able to join us at smithl@spsd.sk.ca.

We hope this letter finds you healthy and well and enjoying the welcoming signs of spring. We are so grateful for the opportunity to teach your children, the pleasure is truly ours. We look forward to working with our school community the rest of the year.

Arlene Lazecki, Principal
Krista Segó, Vice Principal

QUILT SHOW & TEA
