Hey... We Need Some Help!

Indoor programming is something that nearly every family in our community participates in at one point or another. We try to consider all ages when picking the huge variety of classes that we offer and look for instructors that have the best interests of our community in mind. If you have any ideas for programs or know of someone who would be interested in teaching a class, please contact Sherri at 373-6024. Some of our best programs have come as referrals from people right here in Silverspring and we value everyone's input. Thanks!!

Please consider joining the Indoor Coordinators. We are looking for someone to train as we work through this upcoming year and take on some smaller tasks. Contact Tammy at 955-2643 or Sherri at 373-6024 for details about this rewarding position.
 Thank You, Thank You, Thank You!!!

Nadine Madsen has been an Indoor Coordinator for many years and we commend her for her leadership and commitment to our Silverspring Community. Thanks Nadine for enabling so many families to participate in our programs. We wish you all the best.

Greetings from Silverspring School!

Silverspring School would like to take this opportunity to thank the Community Association for all the support that has been provided in the 2009-2010 school year. The SCA works to support us in numerous capacities and as a school we are grateful for such strong community efforts. Our beautiful sign in front of the school serves as a reminder each day of the result of such efforts.

The school year is rapidly ending but it is still a very busy and exciting time with many academic and extra-curricular programming still to take place. In addition to core subject instruction, our Ecology Club, Voyageur Program and Music and Band Programs continue as we write this. We have experienced great success with our two priorities; Physical Literacy: Healthy Bodies Active Minds and Academic Literacy; the study of 3 Reading strategies. As well, Silverspring Home and School (SHS) fundraising efforts have provided extra curricular opportunities with funds given to each classroom; climbing ropes which have yet to be installed; smart boards, document cameras; interactive globes for the library and rugs for the some of the primary classrooms. We also had great success with evening presentations for parents of Anti-Bullying; Drug Awareness and Literacy organized by the Silverspring Community Council. We are very blessed with the resources these two organizations provide for our school and appreciate the strong leadership of both groups.

We will soon bid farewell to our grade eight students as they transition to high school. This is an incredibly exciting time for these young people and we wish them well as they begin their new adventure. As our grade eight students depart, we excitedly welcome our new school family members - Kindergarten students. We have a special orientation day for these individuals and their families on June 1st. If you have a child who will be five years of age on or before Jan. 31, 2011, please call our office to register as soon as possible. We offer a high quality Kindergarten program!

Very soon, our school staffing will be complete. To date we can tell you that there will be no change to the administrative team. Mrs. Arlene Lazecki will continue as principal of Silverspring School as well Ms Krista Segó will continue as vice principal in the fall.

We hope you have a wonderful summer and remember to call or email us at any time if you have any questions about our school and the programs we offer.

MOTHER TERESA SCHOOL NEWS

Hi everyone! We hope that you are enjoying summer and having fun with your family. Another exciting school year will begin at the end of August and we would like to extend a special welcome to all of you who are new to Silverspring.

We are blessed to have our school named after Mother Teresa. She is an extraordinary role model as she dedicated her life to serving others and God. We too are called to serve and we want to do all that we can to help your children have a successful year, in a safe, caring and respectful environment.

There are many ways in which you can get involved in supporting your child's education. We encourage you to join our School Community Council or volunteer to be a classroom representative. Additional information will be provided during "Meet the Staff Night" in September. Your presence at school is valued and appreciated. Together, we will help your children have an excellent year.

If you would like additional information about Mother Teresa School or if you would like a tour of the school, please give us a call at 659-7240. The office will be open beginning Friday, August 20th.

Carol Gerspacher, Vice Principal
