As parents we are regularly bombarded with requests to volunteer our valuable time. Some people instinctively say "SURE" while others say "NO!" Yet others say "Can I just give more money instead?" while others say nothing and wait for someone else to do it. It is often the same people volunteering time after time. Are they are more qualified or less busy than anyone else? Doubtful. We are all busy and we all have excuses why we CAN'T do it. How about instead of an excuse why you CAN'T, you think of a reason why you CAN and say "SURE". It may change your life. More likely it won't but it didn't cost you anything but a few moments of your valuable time.

THANK YOU!

Silverspring Community Association annual Fun Day in the Park on Sept. 12 was a lot of fun. Many thanks to the volunteers for helping make the day run smoothly!

Silverspring School News Oct/Nov 2010

Welcome back to the families and staff in the Silverspring community. We are well into the new school year and are very excited to be back! Our total enrolment is 524 students and our staff total is 57 including 4 interns. We have a few new students, staff and families and look forward to working with everyone throughout the year.

Silverspring's strategic plan includes two priorities: Literacy and improving student's written response and HBAM – Healthy Bodies Active Minds – improving students fitness and therefore, optimizing their learning in all subject areas.

There are also many school activities on the go. Grades 6, 7, and 8 have enjoyed their experiences at Fall Camps. Our cross country runners will compete in their city wide fall meet on Tues. Sept 28th and volleyball season is around the corner.

Our Silverspring School Community Council (SSCC) and Silverspring Home and School (SHS) is in full swing and we would like to invite anyone interested to join our meetings and be involved in the education of our students to please watch for meeting times on our sign.

We look forward to working with our Silverspring community during this school year! Please do not hesitate to come in for a visit! Have a wonderful 2010-2011 school year!

Krista Sego, Vice Principal

We Need YOU!!

We are planning the Winter session for 2011. **Two Indoor Coordinators are needed** by next year to fill the spots of those who have been committed to indoor activities for years. If you are interested in volunteering with a great team of coordinators we could really use some help.

Please call Sherri at 373-6024 or email scdenis@gmail.com for details.

Message from the Indoor Coordinators (Sherri, Jacine & Tammy)

Thank you to everyone who participated in the online registration this year. We had a record number of memberships and registration for our indoor classes.

Many, many hours of hard work went into preparing our online service and we would like to extend our dearest appreciation to **Ross Moody** for his dedication to our community.

Thank you Ross for making the Silverspring Registration run as seamless as possible.

MOTHER TERESA SCHOOL NEWS

Welcome back to everyone and a very special welcome is extended to new families and to new staff. We hope that you have had a great summer and we look forward to a fantastic school year.

We're off to a great start, thanks to our hard working staff and our extremely supportive community. We had several "beginning of the year" activities over the past few weeks. The MTCSCC Welcome Back Barbeque was well attended. Thanks to the council and to all of the parents who helped to make this a very successful event. We also had our "AGM/Meet the Staff Night" and Father David celebrated Mass with us as well. We are truly blessed to have Father David as our spiritual leader. What a wonderful way to begin the school year as we strive to create an atmosphere where students discover how their faith is part of learning and of life. We wrapped up September with our Spirit Assembly and Terry Fox Walk.

Our Safety Patrollers have been out in full force keeping our cross walks safe. We are very fortunate to have such a dedicated team of Patrollers. The Cross Country Team had a great season and it was wonderful to see such awesome participation. September 21st was International Day of Peace and the Rotary Club of Saskatoon honoured Mother Teresa and her worldwide efforts as a peace maker during a lunch hour program at the Peace Plaza in Rotary Park. Our school choir sang our school song "We are all Pencil's in God's Hands" at this event. Mother Teresa was awarded the Nobel Peace Prize in 1979.

There is always a lot going on at Mother Teresa School. Please feel free to drop by at any time.
