B) AGM to Fall Registration Night

- Scott and Rachelle took a lot of grief around the doors being locked during the Soccer registration night/Rider presentation
- Perhaps have the AGM in the fall, fill vacant positions prior to registration even starting.
- no volunteers came from the Rider event
- Forest Grove/Sutherland and Erindale/Arbour Creek do this
- we need to use the website more – perhaps have a written description as to what each position is and the perks available to being on the SCA.
- various opinions on this issue – smaller community association, Really forcing the issue that the registration night will not start until positions are full, combine jobs on the community association, have fewer Members at Large, paid position, shorter time commitment, withholding a sport for a year

C) Silverspring needs new hockey nets. Brett made a motion to purchase two new nets for indoor floor hockey. Robin 2nd. Carried

- Volunteer – found enough volunteers for the soccer/softball registration night. Did receive a few nasty phone calls.
