1. CALL TO ORDER

Quorum was not achieved therefore discussion took place and are recorded

2. APPROVAL OF THE AGENDA

3. SCHOOL NEWS

Silverspring School – Mrs. Muirhead

- Gr. 8 farewell on Monday.
 - HBAM t-shirts for sell and have sold about 20
 - lines on the tarmac were repainted and the older kids are enjoying the 4 square and basketball lines and are more active
 - Grades 5-8 had an optional YOGA lesson and after the class the students worked extremely quietly. The school would like to purchase some skinny mats in the Fall. The community association will consider any requests (include the cost of mats).
 - Any plans for the rink? Discussion – No asphalt because it heats up too quickly and the ice is lost faster. The cost of year round artificial ice was \$100,000 so major fundraising would be needed. No grass has been seeded this year since a ball team is using the rink area for batting practice.
- Request to school for signage use: Please put the new website www.silverspringcommunity.ca and Fun Day in the Park Sunday Sept. 13 on the sign before school is done.

4. ADOPTION OF THE MINUTES

5. DIRECTOR OF FINANCE REPORT- Nadine Schueller

Absent

6. BUSINESS ARISING FROM THE MINUTES

- a. Fun Day in the Park – It will be Sunday Sept. 13. Marlo has a list of contacts from previous years.
- b. Floor hockey nets
- c. Feedback form Soccer
- d. Storage – Discussion regarding storage at St. Joseph’s school due to renovations of previous storage space. Storage is a mess. There is not a lot of room for soccer/basketball/ball. Suggestion to deflate all the balls. Vanessa emailed Erindale regarding sharing a rental space (10 x 20 room) but no response yet. Johnny Marseniuk (sp?) is the contact person for St. Josephs to put hooks in storage room (eg. to hang up ball bags). A couple other options for storage space is room at Silverspring school (will look at after meeting) or room at Centennial school.

Soccer coordinators need inventory of what each soccer coach per age group received. May consider having coaches give a deposit on their equipment.

Soccer coordinators will send a mass email covering the return of equipment bags, request for volunteers to St. Josephs storage organization night (early July), and soccer feedback form.

7. NEW BUSINESS

- a. State of team uniforms
- b. New executive members – Nora Jacobs and Cam Hazen have agreed to let names stand for MAL vacancies. To be voted on at next meeting.
